

John's Journey - Day 38

May 8, 2009

Ector, TX to Sherman

It's a nice day today. I pulled out at 7:45 heading to Sherman. Not far down the road was Savoy Elementary School where there were quite a few kids standing by the fence.

A little further down the road a car pulled over in front of me & stopped. A lady got out and walked back to talk with me. Her name was Elaine. She had seen me on Channel 12 KXII News and wanted to meet me. We talked for a little and before she left she said that she would sure like to take me out to dinner tonight.

Lynn tracked me down and brought me a hamburger & fries for lunch today.

As I was driving into Sherman, John Wayne Ramsey stopped me. He asked me to sign their Bi-Centennial Book. This book has been signed by all teamsters or people on horseback and the like that have passed through the town. I was honored to do so.

I drove about 19 miles today and I'm staying at the Lange Veterinary Hospital at 2103 West Houston, Sherman TX 75092 903-893-5561. The vet gave me a 20 pound bag of dog food for Brit and a bag of treats for her as well. He also looked her over & treated her for ticks for free. I thanked him very much for that.

Also, Dr. Ray Miller from Town & Country Express did an interview about the trip.

Elaine came by this afternoon like she said and took me out for Chinese food. We had a great time talking over dinner and I really enjoyed her company so I asked her if she would like to ride with me tomorrow. She said she'd love to and thanked me for the offer.

Well there's another storm blowing in again tonight. Joe stopped by and agreed that I was in a good spot to ride out the storm. Here we go again.
